

QUANG DO

FOUNDER & BUSINESS OPERATOR

KEY RESPONSIBILITIES AND AREAS OF EXPERTISE

- Import and export of genuine motorcycle spare parts via CIF, FOB, and DDU terms.
- Freight transportation services across Vietnam.
- Wholesale of genuine motorcycle spare parts.
- Warehouse leasing and inventory management services.
- Price negotiation services for traders seeking to purchase goods from Vietnam.

By combining expertise, robust infrastructure, and customer-centric solutions, we strive to be a reliable partner for businesses involved in the trade and logistics of genuine motorcycle spare parts. Whether you're looking for seamless imports and exports, local transportation, or comprehensive warehouse and negotiation services, we have the expertise to fulfill your needs.

ABOUT ME

With over 10 years of experience in the motorcycle parts industry, I have been the founder of multiple renowned brands in Vietnam, specializing in high-quality motorcycle spare parts.

Currently managing IT for multiple projects focused on media development, network engineering, and digital transformation. With a strong foundation in technology and over a decade of experience in the motorcycle parts industry, I combine technical expertise and strategic vision to drive innovation and growth.

Since 2018, I have been actively operating an international export system for motorcycle spare parts, ensuring seamless global distribution and meeting the highest standards of quality.
